#### Mid Term Project Review Example

Client: Post-it ® Australia & New Zealand

- Mid Term Project Review to evaluable design effectiveness
- · Creative optimization for better results

Post-it® Super sticky Sampling eDM ad an adapation from an US asset with updated imagery:

During the mid term project review, the creative was not performing well, most likely because the CTA was not obvious enough.

**OPTIMIZATION** 

Therefore I removed any design elements which might confuse the user and created a straightforward bold button "Get your FREE pack" - The number of samples claimed were tripled.
